WHAT IS BUM BUM BALM?

Made by Moms, Trusted by Moms

Dimpleskins Naturals are effective and wholesome products made in Canada using only 100% natural pure, organic and cruelty-free ingredients. The signature Bum Bum Balm has been created in small batches for over 15 years and is still the original formulation.

- Dimpleskins Naturals is committed to using ZERO chemicals
- All packaging is made of 100% recycled materials
- Packaged in food grade, rust proof tins
- Good for one year after opening

WHAT'S IN THE TIN?

100% natural diapering salve made with herbal extracts of organic calendula to help soothe baby's skin. A base of beeswax and coconut oil provide anti-inflammatory properties and help to coat baby's skin, keeping moisture away. This balm is one of the few that does not contain zinc-oxide, making it cloth diaper-friendly since zinc can ruin the absorbency of the cloth diaper over time.
