

BATH THERMOMETER

Make bath time safe and fun with an adorable bath thermometer. Choose from Tortoo the turtle with its built-in rattle or Digi Duckling that easily disguises itself as one of your kid’s bath time toys.

Tortoo with rattle

Digi Duckling

NIGHTLIGHT

The super cute owl shaped, soft edge children’s night-light is perfect for bedtime. It is squeezable, made of silicone, and washable.

Eboo the Owl

TORTOO AND DIGI DUCK FEATURES

- ✓ Large LCD screen for easy, quick reading
- ✓ A red light will illuminate if the temperature is too hot
- ✓ Measuring range: 0 to 50°C (32 to 122°F)
- ✓ Automatically turns off after 1 hour
- ✓ Tortoo battery life: about 10 months (one-hour daily use)
- ✓ Digi Duck battery life: up to 1 year

HOW TO USE

To activate for bath time, tap the thermometer against the palm of your hand to turn it on and place in the bath.
